

PRECISION WELL SERVICING

Precision Drilling

March 29.2007

To Whom It May Concern:

Precision Well Servicing is currently accepting applications for service rig workers.

All applicants must hold a valid H₂S Alive ticket.

Entry Level applicants must hold a valid Class 5 Driver's License with the airbrake endorsement.

Preference is given to those who have successfully completed a Service Rig Floorhand Training Course through Enform or the Atlantic Petroleum Training College

Should you require further information, please do not hesitate to contact myself at 403-346-8922

Thank you.

Sincerely,

Lee-Ann Triffo
Personnel Manager
